

early, on time!

ABOUT US

Langeni Auto Logistics is a road logistics and freight forwarding company based in Zimbabwe, catering for clients within Zimbabwe, with vast experience of handling of fresh produce, grains, and other cargo for retail, wholesale and manufacturing.

Langeni, derived from the Ndebele root meaning “sunrise”, is a business that is defined by being early and on time in logistics especially the management of goods; Information and financial transactions to ensure the timely and cost-effective flow of inventory from suppliers to end customers on a national basis.
